## MEMBERSHIP COUPON

Becoming a member of our association means contributing to the maintenance and restoration of the Chapelle de Saint-Maclou, a thousand-year-old chapel!

It gives credibility to and supports our action with local, departmental and national authorities, and it also means participating in a great human adventure.

For the current financial year, the basic amount of membership in our association is fixed at 10€ per person and 15€ for a couple.

**Thank you for your support**
