

EDITORIAL OF THE MONTH

March, the month of Saint Joseph

On March 19, the Novena to Saint Joseph is a Catholic devotion dedicated to Saint Joseph, foster father of Jesus Christ. It is traditionally recited in the month of March, the month of Joseph, adoptive father of Jesus of Nazareth.

March is also the month of the time change.

On March 30 in the morning, at 2:00 a.m., it will be 3:00 a.m. !

Memberships

As every year, in March, we officially open our memberships.

For our association, begging is always complicated, because we never know when is the right time to do it ?

And then, it is never easy to ask each other for financial support, and yet, we have no other choice, if we want to preserve our chapel, to provide for its basic needs over the months.

We are therefore counting once again on generosity, on the arrival of new members and on the renewed trust of old ones. This year again, for 2025, the amount of our contributions remains unchanged, namely €10 for one person and €15 for a couple.

Our Membership Form can be found on our website chapellemaclou.fr, in the "Join" menu, under the "Membership" tab ; you can download it.

MEMBERSHIP CARD 2025

This first membership card, we had it in mind for a few months !
In addition, it responds to your request and our desire to recognize you.
It is also for us, a way to show you our attachment and to strengthen the ties that unite us and in a way thank you, show you our recognition...

For the moment, this card is symbolic, we hope that it will eventually be able to give some advantages to its holders

PROGRAMMING COMMITTEE 2025

This Programming Committee was held on Tuesday, February 17 at the Mesnil-Mauger town hall. We therefore took 2 hours to review the events that we will propose during the year 2025. We hope that our proposals will be successful. In the coming days, the 2025 program will be available on our website in the Association menu - Programming Committee tab.

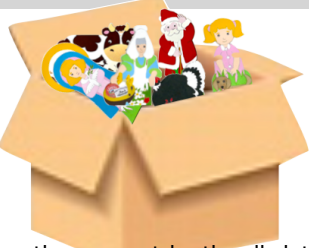

Scan this code, it will guide you to the chapel!

IT'S JUST GOODBYE !

After two months spent in the light and the freshness of the chapel, the nativity scene of the chapel of Saint-Maclou will return to the warmth of its boxes. It promises to return at the end of the year even bigger with the aim of seducing even more; it has not finished making people talk about it ; we can count on it !

BIRTHDAY

A year ago, almost to the day, Denis Duriez put our new English-language website online.

With his technical mastery and inventive spirit, Denis has once again accomplished and succeeded in this challenge.

He has thus responded to our desire to extend our communication well beyond our Pays d'Auge.

We can never thank him enough !
