

LITTLE SANTA CLAUS

It's beautiful Christmas night, the snow is spreading its white blanket, and with their eyes raised to the sky, on their knees, the little children, before closing their eyelids, say one last prayer. Little Santa Claus, when you come down from the sky, with thousands of toys, don't forget my little shoe.

But before you leave, you'll have to wrap up warm, outside you'll be so cold, it's partly because of me.

I can't wait for daybreak to see if you've brought me all the beautiful toys I see in my dreams and ordered from you.

On Monday, November 17th, we were received at the Château du Breuil town hall by Mr. François Aubey, Mayor of Mézidon-Vallée d'Auge, and Mr. Bruno Guiard, Deputy Mayor of Le Mesnil-Mauger. The purpose of this meeting was to present our report, "Current Condition/Suggestions for potential renovation and restoration work on the Saint-Maclou Chapel." This meeting proved constructive, with discussions that strengthened a very promising collaborative approach.

A follow-up meeting has been scheduled for next May to develop an implementation plan, and we hope that the outcome of the municipal elections will not disrupt this project.

We would particularly like to thank Mr. Aubey and Mr. Guiard for their interest in our association and the heritage of our region.
